 - **User Acceptance Testing Incomplete**
 - **“ATO” not secured**
-

Impact Aid Grant System

Impact Aid Grant System

New Projected Go-Live Date

November 21

Stay Patient!

We will share email updates as things change

-- And Things Will Change!

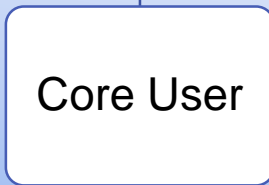

Impact Aid Grant System User Accounts

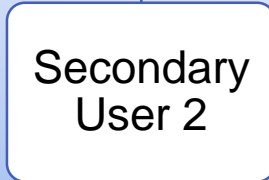

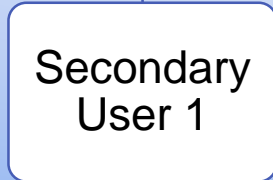

Users may be associated with one or more Local Educational Agencies (LEAs).

The core user will be a **signatory** and will **create/manage** other two LEA user accounts

The core user will choose the secondary user's role.

IAGS User Roles	Editor	Can enter information and make changes to the application and any amendments
	Signatory	Can edit and sign the application and any amendments
	Read Only	Can only view the current version of the application

I want to be the core user. How will I get my IAGS account?

In **Fall 2019**, the website impactaid.ed.gov will go live. It will have an account request form to complete with your school district and contact information.

Within 48 hours, Impact Aid staff **may** contact your LEA to verify you have the authority to sign a grant application.

Once verified, you will receive an email from the IAGS System with your username and a temporary password. Your username is your email address, but it will be **CASE SENSITIVE**, so enter it exactly how it appears in this email.

After logging in, you may create accounts for up to two other people per LEA. Specific instructions and a training video will be available on the website.

Impact Aid Grant System Core User Registration

- 1. Core User requests account in IAGS**
- 2. Must be LEA official authorized to sign application**
 - Not administrative support staff**
- 3. IAP vets Core User identity and activates account**
- 4. Core User logs into IAGS and resets password**
- 5. Core User sets up accounts for 2 other IAGS users**
 - May include account for a second authorized official**

Start this process soon after IAGS opens!

FY 2021 Applications

- **Apply in IAGS after accounts are set up**
 - **Child counts arranged by category**
 - **Ai, Aii, B, C, Di, Dii, E, F, G**
 - **No more application tables**
 - **Core User signs electronically**
 - **Due Date Thursday January 31**
-

Impact Aid Grant System
